Newsletter "We proudly present our new headsponsor: Wazap!" - 12.02.2007

After waiting for several weeks, it is now time for us to proudly present our new headsponsor: [Wazap!](#)

[Wazap!](#) is an international game search engine which exclusively focuses on gaming as a whole. Using it makes it possible for players all around the globe to find game related information easily. Alongside the announcement of the partnership, mousesports and Wazap AG which is based in Berlin, Tokyo and Shanghai, agree on an initial cooperation for one year. This sponsorship includes a six-figure support for mousesports (in Euros).

The brand-new headsponsor and name partner of our clan is going to accompany our players in each match with the brand name "wazap.com" from now on. mousesports is looking forward - together with [Wazap!](#) - to the future and hopes for a successful partnership. There will also be few additional features for our users which will be announced soon.
